ABOUT US

At Colours Tissue & Hygiene Products, we've been proudly manufacturing high-quality tissues and paper products for the past 8 years. The company was founded by Mahesh Shukla, who brings over 25 years of expertise in the paper industry. Our goal is to deliver premium products that combine quality, affordability, and sustainability.

We use FSC-certified raw materials and ensure full compliance with US FDA standards, prioritizing both environmental responsibility and customer well-being.

We offer customized private label solutions for clients across the USA, Canada, UK, Australia, and UAE. At Colours, we're committed to building a cleaner, healthier, and more sustainable future where innovation meets dependability and quality always comes first.

Premium Tissue Products
